APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of the waters of an underground source as heretofore granted under Permit 8641, Certificate 2512, is issued subject to the terms and conditions imposed in said Permit 8641, Certificate 2512, and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

The permittee will maintain pumping records on the amount of water withdrawn and submit copies of these records to the State Engineer on an annual basis.

The period of use under this permit will be from January 1 to December 31.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.67 cubic feet per second, but not to exceed 93.10 million gallons annually.

Work must be prosecuted with reasonable diligence and be completed on or before January 7, 1985

Proof of completion of work shall be filed before February 7, 1985

Application of water to beneficial use shall be made on or before January 7, 1988

Proof of the application of water to beneficial use shall be filed on or before February 7, 1988

Map in support of proof of beneficial use shall be filed on or before

Completion of work filed..... IN TESTIMONY WHEREOF, I PETER G. MORROS,
State Engineer of Nevada, have hereunto set my hand and the seal of

Proof of beneficial use filed..... my office, this 7th day of JANUARY,
